

# Eight Elements of Public Health Consultation

This framework provides factors that could result in positive or negative health outcomes. Use the questions below to guide discussion about each element and factor.

- Focus on the public health and equity outcomes for factors addressed.
- There will be overlap or inter-relationships between elements.
- This list may not be exhaustive. Other factors may emerge.
- Work through the framework one segment or element at a time.

## Questions To Prompt Discussion

1. For you and your family, could the proposal result in changes in any of these factors?
2. For your community, could the proposal result in changes in any of these factors?
3. Which of these factors are most important to you?
4. What outcomes would you like to see?
5. What outcomes would you not like to see?
